Aussie Pet Mobile Ranks in Top Half of 2007 *Inc. 5000* Fastest-Growing Business Report

Mobile pet grooming company experiences Three-Year Sales Growth of more than 200%

NEW YORK, September 5, 2007 – *Inc.* ranked Aussie Pet Mobile in the top half of its first-ever *Inc. 5,000* list of the fastest-growing private companies in the country (number 1,739). Propelling Aussie Pet Mobile to the top half of the list was its 207.6 percent three year revenue growth rate. The *Inc. 5,000*, an extension of *Inc.* magazine's annual *Inc. 500* list, catches many businesses that are too big to grow at the pace required to make the *Inc. 500*, as well as a host of smaller firms. Taken as a whole, these companies represent a total of \$194.5 billion, a major backbone of the U.S. economy.

"We are thrilled to be recognized as a powerful contributor to our nation's economic landscape," said Ian Moses, founder of Aussie Pet Mobile. "With this honor we are in good company and look forward to achieving continued success throughout the years to come."

The 2007 *Inc. 5,000*, as revealed online at www.inc.com, reported median revenue of \$9.4 million and median three-year growth of 140 percent. Complete information on this year's *Inc. 5,000*, can be found at www.inc.com/inc5000.

"The *Inc. 5,000* provides the most comprehensive look ever at the most important part of the economy – the entrepreneurial part," said *Inc. 5,000* Project Manager Jim Melloan. "The expansion of the list has allowed us to tell the stories of larger companies, older companies, and a wealth of companies in industries like Manufacturing and Construction that are underreported in the business media."
